ELITE SPORTS MEDICINE is currently seeking a team-oriented, part-time **PHYSIOTHERAPIST ASSISTANT** to provide ongoing care for patients at our clinic.

The successful candidate will work with our full-time physiotherapist and other assistants to provide a full range of physiotherapy services including assessment, treatment and instruction to patients on home exercise routines and programs.

The successful candidate will have the following minimum qualifications:

- ability to work independently and as part of a team to provide exceptional care in a collaborative environment
- ability to establish and maintain effective working relationships with patients, staff and the general public
- willing to learn EMR software for electronic charting
- previous experience as a PTA is awesome, but not required

Here is what we are offering:

- Start date - Aug 31
- \$18/hr
- Hours may vary, but would ideally be:
 - Tue – 8:00am – 12:00pm
 - Thu – 8:00am – 12:00pm
 - Fri – 8:00am – 1:00pm

ELITE SPORTS MEDICINE is a multidisciplinary rehabilitation clinic offering a full range of physiotherapy, massage therapy, and chiropractic care. We are striving to be a center of excellence for the people of Southern Alberta, including high-performance athletes to non-athletes. We foster an environment of mutual respect, collegiality, and open communication among all team members. We deliver up-to-date services using a collaborative approach and strive for excellent access through progressive use of resources.

Please submit a short cover letter and resume (including references and availability) via email to elitesportsmedclinic@gmail.com. Or better yet, deliver it in person during our regular business hours:
